| Subject | Accessory STOP SALE Notice and Part Return Request | | | | | | |

On March 22 2016, American Honda launched a SAFETY RECALL on the Accessory Rear Trunk Base for PCX125/150 scooters for a potential defect that may allow the trunk to fall off the scooter while riding. A fallen trunk in the roadway poses a safety hazard to other roadway users.

All dealers with affected accessory inventory must not sell or install the affected parts. Make sure the below mentioned part numbers are removed from any internet parts advertising by your dealership. Updated parts are currently not available for purchase from American Honda at this time.

American Honda is requesting your dealerships to return the below Part Numbers you have in inventory:

08L71-K35-J00 – Rear trunk base

08L70-KZY-910 – Rear trunk base

81200-KWN-780 – Base, rear carrier (component of above kits)

Return Request

You must return all PN 08L71-K35-J00, 08L70-KZY-910 and 81200-KWN-780 you have in inventory.

No Shipment Listing or Invoice is required for this return. These returns will not be charged against your SRA credit.

Return iN OAR Procedure

1. Complete the iN OAR procedures.
2. Use Reason Code "R" with eleven zeros for the Shipper Number.
3. Use Item Number "9999."
4. Enter "Accessory Rear Trunk Return" in the Remarks Section.

6. Return P/N 08L71-K35-J00, 08L70-KZY-910 and 81200-KWN-780 back to American Honda.

Order adjustment requests (OARs) must be submitted by 4/8/16. If your dealership incurs freight costs for parts return, please contact your facing Part Center for freight reimbursement. Be prepared to provide a copy of the freight bill.
