RE: ATTENTION: 2001-2005 CIVIC – Airbag Inflator - Parts Information

The purpose of this iN message is to provide clarification and direction for airbag inflator replacement of 2001-2005 Civic models. When conducting a repair on Service Bulletin 15-040, please be sure to order and install part number 04770-S5A-408 to ensure warranty claims are processed correctly. Reference Service Bulletin 15-040 for part number clarification and repair procedures. **NOTE:** U.S. territories please issue your parts order through your export parts representative to place orders for part number 04770-S5A-408.

Thanks
