

GROUP CHA	MODEL 2014-2016MY Optima (TFH) 2017MY Optima (JFH)
NUMBER PS 457	DATE September 2016

TECHNICAL OPERATIONS

Variant Coding Integrated Brake Actuation Units (IBAU)

When replacing the integrated brake actuation unit, it is necessary to perform variant coding of the new module. For additional information related to variant coding click the **Variant Codes** link on the KGIS home page. (See page 2 for sample screen shot.)

Go to the Software Management tab on the GDS/KDS and select the ABS/ESC system.

The following Part #s and Variant Codes apply:

2014-2016 Optima (TFH)

Part Number	Variant Code
58500 4U600	2202
58500 4U700	
58500 4U701	

2017 Optima (JFH)

Part Number	Type	Variant Code
58500 A8450	HEV	2802
	PHEV	2C02
58500 A8470	HEV	2802
	PHEV	2C02
