Toyota Owners: Start Here

Trying to program your HomeLink for your Toyota? The video on the right side of the page will teach you what steps you need to follow in order to quickly and easily train your HomeLink.

Not into video?

You can also [get a printable version of the instructions](#).

For Toyota owners who are using a garage door opener by Genie, Sommer, or who have an older generation of HomeLink (in model years 2008 and earlier), select your training videos from the list beneath the main video.
