Dear DEALER,

Reason for this campaign

It has been determined the vehicles in this service advisory population may have a 32" Furrrion brand TV that affects the functions on the sound bar of a different brand. Only a certain population was affected and TV firmware can be "flushed" to prevent the issue. The remedy is to flash the affected TV's firmware and use the provided remote control.

The campaign population includes:

**2017 Sprinter Fifth Wheels and Travel Trailers
252FWRLS, 25RK, 26RB, 27RL, 29BH, 29FK, 312MLS, 325BMK, 33BH**

2017 Serial Number Range - H1531349 - H1531995

Our records indicate unit(s) sold or in your present lot inventory fall within this range, which will require inspection. **Important:** Please complete the service campaign on these units before retail delivery. Our records indicate the following unit serial number(s) are presently in your inventory or have been sold:

VIN1

-- Serial numbers with '*' have been retail sold --

We apologize for any inconvenience this situation may cause and greatly appreciate your cooperation. Should you have any questions or concerns regarding this correspondence or the enclosed Service Advisory, please contact us at: **(866) 273-1452**

Sincerely,

KEYSTONE RV COMPANY
