**Date:** 12/9/2016

**To:** All Mitsubishi Dealers  
All Mitsubishi Dealership Service Managers

**Subject:** 2017 Outlander Blind Spot Warning/Rear Cross Traffic Alert Inspection Target

The 2017 Outlander Blind Spot Warning/Rear Cross Traffic Alert Inspection Target will begin shipping with your dealership stock order the week of 12/12/2016.

This tool is required to properly calibrate the Blind Spot Warning/Rear Cross Traffic Alert system and verify correct radar operating angle.

The tool should be stored flat in its envelope until ready to use and away from water or moisture. After use, unfold the target and replace in its envelope for protection.

Please ensure your technicians have enrolled in our newest Technical Training course – Advanced Safety and Convenience Features 2 (ASCF2) to fully understand when utilization of this tool is necessary, how to properly set it up, and to learn about many of the new features offered on the 2017 Outlander, including:

- Blind Spot Warning/Lane Change Assist/Rear Cross Traffic Alert
- Forward Collision Mitigation/Lane Departure Warning/Automatic High-beam Headlight
- Multi-view Camera (Multi Around Monitor)
- Heated Steering Wheel

This tool was thoroughly researched to insure a cost-effective solution that will assist your technicians in the proper repair of vehicle systems, and maintain a professional and efficient workshop.

The price of the Outlander Blind Spot Warning/Rear Cross Traffic Alert Inspection Target is \$40.00 plus tax. It will be billed to your dealership on your monthly account statement.

If you have any questions, please contact your District Parts and Service Manager.

Sincerely,

MMNA Fixed Operations
