Resetting the service reminder display

If the inspection service was not performed by an authorized Volkswagen dealer or an authorized Volkswagen Service Facility, the service reminder can be reset as follows:

- Switch off the ignition.
- Press and hold the **0.0** button in the instrument cluster
- Switch on the ignition.
- Release the **0.0** button.
- If the following message appears in the display:

Reset inspection interval?

- Confirm the request by pressing the **0.0** button in the instrument cluster. A confirmation message appears in the display when the service reminder has been reset.

i Do **not** reset the service reminder between service intervals; otherwise, incorrect information will be displayed.

For current fluid capacity charts, they can be found on ServiceNet under the Maintenance tab.
