5	May 2, 2016	Saga claiming instructions modified to reflect current label reimbursement guidelines.

Condition

This update has been proactively released to replace the emissions label on the vehicle.

This UPDATE is in effect until removed.

Vehicle must meet all of the following criteria:

- Procedure is valid only for vehicles that show the 24Q3 code in ElsaWeb, Campaign/Action Information screen on the day of repair.
- If the vehicle is sold it must be within the Federal Emissions Warranty.
- Procedure must be performed within the allotted time frame stated in this UPDATE.
- Procedure must be performed on applicable vehicles in dealer inventory prior to sale.

Technical Background

The vehicle emissions control information label does not have "DOR" designated in the exhaust emission control system field.

Production Solution

Not applicable

Service

NOTE:

- *ElsaWeb is the only valid inquiry/verification source. Check ElsaWeb on the day this vehicle UPDATE will be performed to verify vehicle eligibility for the UPDATE. Status must show "open". Attach an ElsaWeb printout showing the "open" status to the repair order.*
- *If this UPDATE appears to have already been performed but the code still shows open in ElsaWeb, contact Warranty before proceeding further. Another dealer may have recently performed this UPDATE but not yet entered a claim for it in the system.*
- *ElsaWeb may also show additional open action(s); if so, inform your customer - this work can be done while the vehicle is in for this UPDATE.*
- *Contact the Warranty Helpline (U.S.) or the Warranty Campaign Specialist (Canada) if you have any questions.*

- Open hood
- Locate and clean surface of old label

UPDATE Technical Bulletin

⚠ Note: Surface of old label must be clean, dry and free from oil residue

Old label does not contain "DOR" as pictured -circle-

← Carefully affix new label (1K0 010 676 M) on top of old label

⚠ Note: New label will contain "DOR" as pictured -circle-

- Close hood

Tip:

Dealers needing additional labels and labels for customer vehicles can order them through the VW Hub online compliance label ordering portal.

Go to the Campaign/Recall/Update tab, use part number **1K0010676MRVU** and state that you are ordering the label for the 24Q3/Y4 Update.
