RSE = Rear Seat Entertainment

This TJ describes how to change the region code on the RSE system with two DVD players and 8" touch screens if necessary.

SERVICE:

For each of the two units, do the following:

1. Go to crosslink mode by pressing the double arrowed button in the top middle of the screen.
2. Sequentially press the buttons UP, DOWN, LEFT and RIGHT on the remote control, to reach the Settings menu.
3. Scroll down until reaching the region code field and select desired region code.
