CONDITION

The 2017 Sienna is equipped with a new 8 Speed Direct Automatic Transmission (DAT). Because of this, we are requesting 100% TAS Case creation for concerns related to this new technology.

RECOMMENDATIONS

For any issues on 2017 Sienna vehicles involving the transmission or drivability, CQS is requesting a TAS Case be created in order to support Early Detection Early Resolution activities. Please be sure to provide transmission serial as well as any other requested information to TAS agent.
