## PRELIMINARY INFORMATION

**Subject:** Body Plugs Visible on Vehicles Equipped with 6 Inch Oval Accessory Chrome Assist Steps

**Models:** 2014-2016 Chevrolet Silverado 1500 — White (RPOs GAZ, GBN) or Silver (RPO GAN)  
 2014-2016 GMC Sierra 1500  
 Equipped with Chrome Assist Steps (RPOs VXH, BVQ)

**Attention:** This PI also applies to any of the models that may be Export vehicles.

*This PI has been revised to add the 2015-2016 Model Years. Please discard PI0951.*

### Condition/Concern

Some customers may comment on the visibility with the body plugs on vehicles equipped with 6 inch oval accessory chrome assist steps. This is due to the body plugs being black in color reflecting off of the chrome steps.

### Recommendation/Instructions

Replace the black color body plugs with one of the plugs that pertains to the RPOs listed below.

GM bulletins are intended for use by professional technicians, NOT a "do-it-yourselfer". They are written to inform these technicians of conditions that may occur on some vehicles, or to provide information that could assist in the proper service of a vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do a job properly and safely. If a condition is described, DO NOT assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See your GM dealer for information on whether your vehicle may benefit from the information.
