From	Acura Service National							
Subject	Inflator Open Ordering							

Due to our improving inventory situation on inflators, starting November 14th we'll begin open ordering on part numbers:

Part Number 04770-SWA-405:

- 2007 - 11 CR-V
- 2011 - 15 CR-Z
- 2010 - 14 Insight
- 2007 - 12 RDX

Part Number 04770-SJA-405:

- 2005 - 12 RL

We will be adding additional part numbers as we continue to build inventory to sufficient levels to support additional open ordering. There is also an informative iN video on this matter titled, "*Inflator Open Ordering & NHTSA Phase 2*" posted on November 11th from Bruce Smith that I encourage you to view.

Lastly, we'll continue to update you via iN messaging as we improve our inventory situation. Should you have any questions or concerns, please feel free to contact me via the dealer comment section.

Thank you.

Steve Bailey
Vice President
Parts Operations
