Subject	No VIN Airbag Inflator Ordering Update						

Attention Parts Manager

Due to our improving inventory situation of inflators, on November 14th we will begin No VIN ordering on part numbers 04770-SWA-405 (07 to 11 CRV, 11-15 CRZ, 10-14 Insight, 07-12 RDX) and 04770-SJA-405 (05-12 RL).

Also, we will be adding additional part numbers in late November as inventory continues building to sufficient levels. At that time, we will publish a more detailed update.

Your DPSM will provide you with your new allotment quantities by part number. Part numbers now open for NO VIN ordering are as follows:
