Title: All Heavy Platform Power Steering Fluid Production Change

Applies To: All Heavy Platforms

CHANGE LOG

Please refer to the change log text box below for recent changes to this article:

02/18/2016 - Initial Article Release

DESCRIPTION

There has been a power steering system fluid production change, going from engine oil to power steering fluid.

This change will be effective as of March 7, 2016 in Escobedo builds easily identified by the 9th VIN character being (N) EX. HN123456

This change will be effective as of February 22, 2016 in Blue Diamond Truck (Escobedo) builds easily identified by the 9th VIN character being (L) EX. HL123456

All other manufacturing facilities fill with power steering fluid.
