**IMPORTANT PRODUCT UPGRADE INFORMATION #161103REV  
November 2016**

Dear Valued American Coach Motorhome Owner:

REV Recreation Group, Inc., on behalf of its manufacturing center located in Decatur, IN, is contacting the owners of certain model year 2016-2017 American Coach brand Class A motorhomes:

American Allegiance  
American Dream  
American Eagle

American Heritage  
American Tradition

This notice is sent to inform you of important product upgrade information concerning **your** motor home.

***Why is the product upgrade being offered?***

The engine's air intake plenum ("duck bill") drain valve may become clogged with debris. **If the engine is started prior to removal of the "duck bill", water may enter the engine and cause extensive engine damage, and may render the engine inoperable.**

***How can you take advantage of this product upgrade?***

**It is very important that this concern is addressed immediately to prevent extensive damage to the engine.** Do not start the engine if the coach has been parked outside for an extended period of time, and/or in wet conditions.

Please contact an **authorized REV Recreation Group servicing dealer** to schedule the upgrade procedure. The procedure is expected to require less than one hour, however additional time may be required by your dealer due to service scheduling. Inform your dealer if the coach has been parked outside for an extended period of time, and/or in wet conditions.

The upgrade is offered free of charge to owners of vehicles still within their base warranty period, or one year from the date of this letter (whichever is later).

For assistance locating an **authorized American Coach servicing dealer**, you may visit this web page: <http://www.americancoach.com/dealers>.

Or call American Coach Owner Relations toll-free at: **(800) 435-7345**

When your motor home is serviced, your dealer will complete a Repair Order. Upon completion of the upgrade procedure, please sign the dealership's Internal Repair Order.

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed, postage-paid Vehicle/Owner Information Update Card and return it to REV Recreation Group. This will allow us to update our records, and if necessary, notify the new owner using the information you provide.
