

**Eliminating Symptoms in Body Interior: Re-coding PCM 4.0 (with Connect Plus) ("Apple CarPlay" does not work/SY3016)**

**General information**

Model Lines: Macan (95B) Series

Model Year: **As of 2017**

Equipment: PCM 4.0 with Connect Plus (I-no. 9WU)

Symptom Customers complain that "Apple CarPlay" does not work. "Apple CarPlay" is **not displayed** in the Connection Manager.

Cause: Incorrect coding of vehicle data.  
 The coding "9WU" = MIRRORLINK + RSE PREPARATION was set at the factory.  
 "Apple CarPlay" works when the coding is changed to "9WT" = MIRRORLINK (CARPLAY/GAL).

Date of Introduction: The coding was changed during production from May 30, 2016.

Work Procedure: Use **9900 - PIWIS Tester III** with software version 33.010.030 installed to change the vehicle data coding from **9WU** to **9WT**:  
 ⇒ Select the **"Automatic coding" function** in the 'Codings/adaptations' menu and confirm your selection by pressing **•F12** .

Invoicing: For invoicing and documentation using PQIS, enter the following coding:

|                          |       |                                       |
|--------------------------|-------|---------------------------------------|
| <b>Location (FES5)</b>   | 91100 | Front display + operator control unit |
| <b>Damage type (SA4)</b> | 1614  | Function not as specified             |

**Important Notice:** Technical Bulletins issued by Porsche Cars North America, Inc. are intended only for use by professional automotive technicians who have attended Porsche service training courses. They are written to inform those technicians of conditions that may occur on some Porsche vehicles, or to provide information that could assist in the proper servicing of a vehicle. Porsche special tools may be necessary in order to perform certain operations identified in these bulletins. Use of tools and procedures other than those Porsche recommends in these bulletins may be detrimental to the safe operation of your vehicle, and may endanger the people working on it. Properly trained Porsche technicians have the equipment, tools, safety instructions, and know-how to do the job properly and safely. If a particular condition is described, do not assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See your authorized Porsche Dealer for the latest information about whether a particular technical bulletin applies to your vehicle. Part numbers listed in these bulletins are for reference only. Always check with your authorized Porsche dealer to verify the current and correct part numbers. The work procedures updated electronically in the Porsche PIWIS diagnostic and testing device take precedence and, in the event of a discrepancy, the work procedures in the PIWIS Tester are the ones that must be followed.
