Subject: MY 2017 Tire Chain Information

Date: Dec. 2016

This applies to MY 2017 vehicles only

TIRE CHAIN RESTRICTION DISCLOSURE

Vehicle (make, model, model year): _____

VIN: _____

Tire and Wheel Size: _____

As equipped, this vehicle may not be operated with tire chains, but may accommodate some other type of tire traction device. See Owner's Manual for details.

The undersigned acknowledges that prior to signing a contract to buy or lease the subject new vehicle, the undersigned read this disclosure and received a signed copy.

Date: _____

Buyer's Name: _____

Buyer's Signature: _____

Dealer's Name: _____

Dealer Representative's Signature: _____

Application & models may change without notice.

Winter tires available for Audi vehicles may have a maximum speed rating that is lower than the potential maximum speed of the vehicle. Never drive Audi vehicles at speeds that exceed the maximum speed rating of the tires with which the vehicles are equipped. Always obey posted speed limits.

A NOTE ABOUT HIGH PERFORMANCE TIRES: These tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy, or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, because these tires offer better traction under those conditions. We suggest you use the recommended winter or all-season tires specified for your car. High-performance tires also have a lower aspect ratio that aid performance and handling; however, in order to avoid tire, rim or vehicle damage, you must regularly check the inflation pressure and maintain proper pressure levels as recommended in your owner's manual. Please also remember in making your selection that, while these tires deliver responsible handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices. For further information on all these topics, please consult the owner's manual, your local authorized Audi dealer, or call 1-800-FOR-AUDI.

Snow chains must not be used on the compact spare wheel.

Provided the subject tires can accommodate snow chains, such chains can be used only on the front wheels if the vehicle is equipped with front wheel drive.

Provided the subject tires can accommodate snow chains, such chains can be used on the front and rear wheels if the vehicle is equipped with Quattro.

Ultra-high performance tires are not suited for use on ice or snow.

Part numbers are for reference only. Always check with your Parts Dept. for the latest parts information.
