Special Tools and Equipment

Number: ATE-16-04

**Subject: T10542-ERG High-Voltage Adapter Kit Auto
Shipment AT-385**

Date: March 1, 2016

The lifting procedure for the e-tron® High-Voltage Battery has been revised in ElsaPro. This revision requires that T10542 be updated with new components, bringing the tool to T10542A standards.

As a result, starting March 14, 2016, the Audi Service Tools & Equipment Program will ship one AT-385, T10542/1+/4 - T10542-ERG Supplement Set, free of charge, to dealers who previously purchased T10542.

For dealers that wish to order additional AT-385 Special Tool Packages, please notify the Audi Tools and Equipment program by contacting us at 800-892-9650. Additional orders will be filled with remaining stock in the order received.

Send shipping and billing inquiries to the Audi Tools and Equipment program: 800-892-9650.
