TT 26-16-01

Date: March 11, 2016

2010-2016 Toaureg TDI, 2012-2016 Passat TDI, 2015-2016 Golf, Sportwagen, Jetta, Beetle TDI-Recommended AdBlue® Concentration

For any AdBlue® concerns, check AdBlue® strength using Special tool T10007 Refractometer. Mixture should be 32% (+/- 1.5%). If the Refractometer reading for the mixture is less than 30% or greater than 35%, replace the AdBlue®. Please refer to ETKA for the latest part numbers.
