Dear (Name):

This letter is to inform you that the warranty period (3 years or 36,000 miles) on your vehicle's Hydraulic Clutch Master Cylinder / Reservoir Hose has been extended to a period of 5 years/60,000 miles. This extended Hydraulic Clutch Master Cylinder / Reservoir Hose warranty coverage applies to certain 2013-2015 model years Dodge Dart vehicles and 2014-2015 model years Jeep Cherokee vehicles. Our records show that you either own or lease one of the vehicles affected by this extended warranty.

We are extending the Hydraulic Clutch Master Cylinder / Reservoir Hose warranty period because some of the affected vehicle population may experience a loss of clutch pedal operation including limited pedal travel and limited clutch disengagement. If you are experiencing this condition now or in the future, simply contact your dealer to have the appropriate repairs performed. **Conversely, if you do not experience this condition, then your Hydraulic Clutch Master Cylinder / Reservoir Hose is operating correctly and no repair is necessary.**

If you have already experienced this condition and previously paid for a repair, you may be eligible to receive a reimbursement. You may complete the enclosed Customer Reimbursement Claim Form and send your original receipts, invoices and/or repair order to the following address for reimbursement. Your claim will be acted upon within 60 days of receipt:
