Location of Identification Plate, Chassis/VIN, Paint and Engine Number

Vehicle Data Label

Vehicle identification label is on the inside of the maintenance book. This label contains the following information:

- Vehicle Identification Number (VIN)
- Vehicle code
- Engine and transmission code
- Paint Code/Interior Code
- Option codes

1. Vehicle Identification Number
2. Tire Pressure Sticker
3. Safety Compliance Sticker
4. Vehicle Identification Number

Vehicle Identification Number (1)

In accordance with Federal Safety Regulations, the vehicle identification number of your car is located at the bottom left of the windshield frame and can be seen from the outside.

Vehicle Identification Number (4)

The vehicle identification number is also located in the passenger footwell under a cover behind the carpeting.

Engine Number

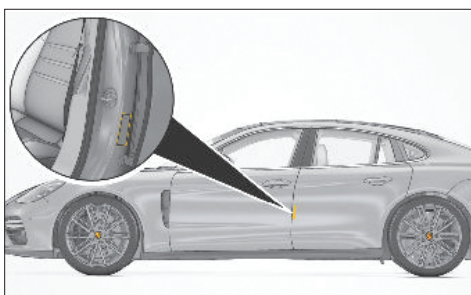

Refer to Workshop Manual for location.

Transmission Number

Refer to Workshop Manual for location.

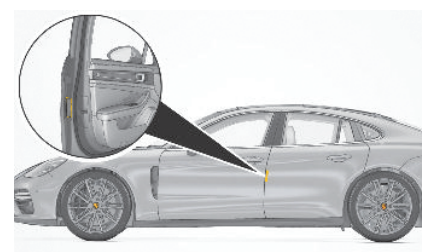

Paint Data

The paint data is included on the Vehicle Data Label.

Tire Pressure (2)

Tire pressure label is on the left driver door sill area.

Safety Compliance Sticker (3)

The safety compliance sticker is your assurance that your new Porsche complies with all applicable Federal Motor Vehicle Safety Standards which were in effect at the time the vehicle was manufactured. This sticker also shows the month and year of production and the vehicle identification number of your car (perforations) as well as the **Gross Vehicle Weight Rating** and the **Gross Axle Weight Rating**.
