

Vehicle Emission Control Information Label,
Replacement
VN, VAH

SP 897-003, Vehicle Emission Control Information Label, Replacement

(January 2016)

Certain VOLVO VN and VAH trucks built between 01/05/2015 and 01/08/2015, may have the incorrect Vehicle Emission Control Information label installed in the driver's side jam. Replacement of the Vehicle Emission Control Information label with a new label (part number 82783085) is necessary to correct this issue. Follow the label replacement procedures outlined in this Service Program (SP).

To order this replacement label, call 1-877-986-5862 and provide the following information: 17 digit Vehicle Identification Number (VIN), Product Improvement Number (SP897-003), Dealer Code, and the Purchase Order (PO) Information.
