

Access to Recall/Campaign Information during Subarunet Maintenance Outage

TO: All Users
FROM: Subaru of America, Inc
DEPARTMENT: Service and Information Technology Departments
DATE: 05/14/2016
CATEGORY: Show in all Categories

As a reminder Subarunet and RPM will not be available beginning Saturday, May 14th at 6:00PM ET until Sunday, May 15th at approximately 1:00PM ET.

A message will appear on Subarunet's Welcome page (login page) during the outage with a link so you can lookup Recall Information by VIN during the maintenance window. To access that page [click here](#).

Thank you for your patience.

Vehicle Recalls

We strive to build safe, capable vehicles, but in the event of a recall, we're dedicated to getting you back on the road safely.
