

WTD-65 Steering Column Recall - Ordering Process

TO: SDC EST CEN WST
FROM: Fixed Operations
DEPARTMENT: Parts and Service
DATE: 05/31/2016
CATEGORY: Parts/Service

Due to the substantial shipments which were processed this past weekend and an expected ample supply of incoming steering columns, the ordering restriction will be removed on **Wednesday, (6/1)** at 11 am ET for part numbers 34500AL02A and 34500AL03A.

Retailers can order through the normal ordering process. Orders must be placed as a **VOR** until further notice. A requested ship method of Ground or Will Call will not incur a handling charge. Orders will be monitored for reasonableness. Order one bolt, part number 83140GA000, for each column ordered.

Before placing additional orders, please check RPM for possible incoming shipments.
