Re: MINI Thermostat Housing Situation

Dear Parts and Service Managers,

We will no longer provide the weekly updates on part number 11 53 8 674 895. Until further notice, this part number **will remain on a daily maximum ordering quantity of 5 per day**. We recommend ordering up to 5 per day **only if you need them**. **Any orders over this maximum limit will be cancelled**.

Please remove from automatic replenishment and only order as needed.

Orders are manually released beginning with the oldest first regardless of order type (Stock Order, VOR or Late Day VOR).

Currently, there are no outstanding backorders before today's date with over 1,800 pcs showing in dealer inventory.

We will provide an update when any ordering restrictions change.

Thank you,
Parts Logistics
