

INCORRECT TIRE AND LOADING INFORMATION LABEL

Please perform the procedure outlined in this Service Information on all affected vehicles before customer delivery. In the event the customer has already taken delivery of the vehicle, please perform the procedure the next time the vehicle is in the shop.

MODEL

F15 (X5 xDrive35i)

SITUATION

Five (5) vehicles were produced with an incorrect Tire and Loading Information label.

The label may not reflect the proper "Cold Tire Pressure" specifications for the vehicle.

AFFECTED VEHICLES

Only the vehicles listed below are affected by this action:

VINs	MY	Model	Current Address - State
5UXKR0C5XF0K58894	2015	X5 xDrive35i	New Jersey
5UXKR0C57F0K58898	2015	X5 xDrive35i	Florida
5UXKR0C54F0K58907	2015	X5 xDrive35i	Massachusetts
5UXKR0C58F0K58909	2015	X5 xDrive35i	New York
5UXKR0C5XF0K58913	2015	X5 xDrive35i	Virginia

CORRECTION

Replace the Tire and Loading Information label

PROCEDURE

- A. The affected owners/customers will be direct mailed a replacement Tire and Loading Information label for self-installation.
- And:
- B. Please perform a label inspection or inspection/replacement procedure the next time an affected vehicle is in your workshop.

Label Inspection

Open the driver's door and locate the white Tire and Loading Information label on the B-pillar that is shown below.

The correct Tire and Loading Information label will have the “Cold Tire Pressure” specifications listed below:

TIRE / PNEU	SIZE DIMENSIONS	COLD TIRE PRESSURE PRESSION DES PNEUS A FROID
FRONT / AVANT	###/## R ## (TR)	240 KPA, 35 PSI
REAR / ARRIERE	###/## R ## (TR)	290 KPA, 43 PSI
SPARE DE SECOURS	NONE	NONE KPA, NONE PSI

Label Installation/Replacement

If necessary, install the correct Tire and Loading Information label on the vehicle:

- Wipe and clean the existing label with a clean dry cloth.
- Fold back a corner of the sheet containing the new label and peel off the label.
- Carefully place the new label directly over the existing label and press firmly into place.

PARTS INFORMATION

Note: If your center installs Tire and Loading Information label that was direct mailed to the customer for him/her, please explain this on the repair order and in the claim comments.

In this situation, please do not claim the replacement Tire and Loading Information label part number listed below.

--	--	--

Part Number	Description	Quantity
71 24 6 781 271	LABEL "TIRE PRESSURE"	1
