To: All BMW Parts and Service Managers

Re: BMW Thermostat Part Number 11 53 8 635 689 (Update 15)

Dear Parts and Service Managers,

The volume of parts continue to increase from the supplier. We've released over 2,000 backorders yesterday and will release over 1,000 more today. **We expect to clear all our current backorders by early next week.**

There are over 1,100 parts in Dealer inventory with over 2,000 more currently in transit to you.
Please use locator and **share your stock**.

We are requesting that you cancel any backorders you may not need to assist Dealers with car down situations.

We will maintain the order restriction to a maximum of 3 per day until we have sufficient supply available. Any order over 3 pcs per day will be cancelled.

The oldest backorder date is currently 5/13/2016.

These backorders will be released in the order received regardless of order type (Stock order, VOR order, Late Day VOR) when stock is available.

As a reminder, please remove this part number from automatic replenishment and SRD ordering.
Please only order for car down situations.

Once supply is sufficient and consistent from the supplier, we will open this part number for normal ordering without limitation. We will continue to provide weekly updates.

During the daily manual allocation process, the part will be blocked from normal ordering at the following estimated times depending on volumes:

10:00 am to 12:00 pm EST and again at 4:00 pm to 5:00 pm EST

We will continue to provide weekly updates.

Thank you,
Parts Logistics
