Re: BMW Thermostat Situation Part Number 8635689

Dear Parts and Service Managers,

We continue to be in a backorder situation for part number 11 53 8 635 689. This part is for vehicles outside of the Service Actions.

Currently there are 2,402 pcs on backorder with the oldest being 1/12/2016.

We have 2,143 pcs in transit and 909 pcs available in dealer inventory; please use locator for car down situations.

As stock arrives, we are manually releasing the oldest backorders first.

Please use the limited supply for car down situations only and do not order for stock. **Orders over 3 pcs per day will be cancelled.**

Until the backorder situation is resolved, we ask to please remove from automatic replenishment and SRD ordering.

We will continue to provide weekly updates.

Thank you,

Parts Logistics
