Re: MINI Thermostat Housing Situation (Update 9)

Dear Parts and Service Managers,

We continue to be in a backorder situation for part number 11 53 7 534 521.

Currently there are 62 pcs on backorder with the oldest being 2/01/2016.

We have 954 pcs in transit and **778 pcs available in dealer inventory**, please use locator for car down situations.

As stock arrives, we are manually releasing our oldest backorders first.

Please use the limited supply for car down situations only and do not order for stock. **Orders over 5 pcs per day will be cancelled.**

Until the backorder situation is resolved, we ask to please remove from automatic replenishment and SRD ordering.

We will continue to provide weekly updates.

Thank you,
Parts Logistics
