To: All BMW Parts and Service Managers

Re: BMW Thermostat Situation Part Number 11538635689 (Update 2)

Dear Parts and Service Managers,

We are no longer in a backorder situation for part number 11 53 8 635 689. However, orders will remain at the limit of 3 per day. We recommend ordering the 3 per day **only if you need them.**

We have 128 pcs in transit and **2,990 pcs available in dealer inventory**; please use locator for car down situations.

Please use the limited supply for car down situations only and **do not order for stock. Orders over 3 pcs per day will be cancelled.**

Once supply is sufficient and consistent from the supplier, we will open this part number for normal ordering without limitation. We will continue to provide weekly updates.

During the daily manual allocation process, the part will be blocked from normal ordering at the following estimated times depending on volumes:

10:00 am to 12:00 pm EST (East Coast Dealers should get VOR orders in before 10:00 am)

4:00 pm to 5:00 pm EST (West Coast Dealers should get VOR orders in before 1:00 pm PST)

We will continue to provide weekly updates.

Thank you,

Parts Logistics
