To: All MINI Parts and Service Managers

Re: MINI Thermostat Housing Situation (Update 10)

Dear Parts and Service Managers,

We are no longer in a backorder situation for part number 11 53 7 534 521. However, orders will remain at the limit of 5 per day. We recommend ordering the 5 per day **only if you need them**.

There are 976 pcs available in dealer inventory. Please schedule your customers accordingly and use locator to help each other.

Orders will be manually released in the order received.

Please use the limited supply for car down situations only and do not order for stock. **Orders over 5 pcs per day will be cancelled.**

Once supply is sufficient and consistent from the supplier, we will open this part number for normal ordering without limitation. We will continue to provide weekly updates.

Thank you,
Parts Logistics
