Re: MINI Thermostat Housing Situation (Update 13)

Dear Parts and Service Managers,

Part number 11 53 7 534 521 remains blocked from ordering.

The supplier is currently experiencing delays. **Parts from the supplier are expected to arrive in Germany the first week of April and continue each week.**

There are 752 pcs available in dealer inventory. Please schedule your customers accordingly and use locator to assist each other.

We will continue to provide weekly updates and unblock the parts once we have stock in transit.

Thank you,
Parts Logistics
