Re: Service Action Thermostat 11 53 8 657 054 (Final)

Dear Parts and Service Managers,

We have a steady supply of parts coming from the supplier and a high completion rate on one of the SIB's.

**There are 3,340 pcs available in dealer inventory.** We continue seeing in excess of fifty pieces at some dealers and ask to please remove from automatic replenishment and SRD ordering.

We currently have **5,773 pcs in RDC Stock with 2,933 pcs currently in transit.**

We are going to remove the restrictions on dealer ordering but please do not order more than needed for scheduled appointments for a two or three day period.

**If we see any large orders, we will go back to 5 per day ordering.**

Current competition rates are as follows:

SIB 11 11 15 = 80%

SIB 11 10 15 = 40%

**Please schedule your customers accordingly and only order as needed; these parts are non-returnable.**

Thank you,  
Parts Logistics
