Re: Service Action Thermostat 11 53 8 657 054 (Update 10)

Dear Parts and Service Managers,

As a reminder, please remove this part number from automatic replenishment and SRD ordering. Also check your inventory and order only as needed; we continue seeing in excess of fifty pieces at some dealers (as noted below these parts are non-returnable).

We are currently not in a backorder situation for part number 11 53 8 657 054. However, orders will remain at the limit of 5 per day. **Orders over 5 pcs per day will be cancelled.**

Your orders will backorder and be manually released in the order received regardless of order type (Stock order, VOR order, Late Day VOR).

There are 3,536 pcs available in dealer inventory and 1,410 pcs currently in transit. Please schedule your customers accordingly and use locator to help each other.

We will receive a supply of 2,000 each week over the next three weeks. **These parts are non-returnable, please only order for scheduled repairs.**

During the daily manual allocation process, the part will be blocked from normal ordering at the following estimated times depending on volumes:

10:00 am to 12:00 pm EST and 4:00 pm to 5:00 pm EST

Once supply is sufficient and consistent from the supplier, we will open this part number for normal ordering without limitation.

We will continue to provide weekly updates.

Thank you,
Parts Logistics
