Message Text:

A Delivery Stop has been issued on 2016 F15 (X5) and F16 (X6) with the N63T engine to check the routing of the transmission oil cooler lines. Please reference SI B17 01 16 and the attached VIN list.

Please be reminded that it is a violation of Federal law for you to sell, lease or deliver any vehicle covered by this notification until the delivery stop repair has been performed. This means that centers may not legally deliver new motor vehicles to a consumer until it is fixed or use/sell replacement equipment/parts subject to a delivery stop. Note also that substantial civil penalties apply to violations of this law. Also, you should not sell, lease or deliver any Certified Pre-Owned or used vehicles subject to a delivery stop until the repair is completed.

Sincerely

Technical Service

Merita Fitzgibbon
