Subject: **Delivery Stop: F06 F13 Check/Replace Windshield Sealing**

BMW AG has issued a Delivery Stop for F06 (6 series gran coupe) and F13 (6 series coupe) produced from April 6, 2016 to April 8, 2016. These vehicles will require a check/replacement of the sealing on the windshield.

At this time, a repair solution is being developed. You will be updated when information becomes available. There are a total of nine (9) vehicles affected.

Please be reminded that it is a violation of Federal law for you to sell, lease or deliver any vehicle covered by this notification until the delivery stop repair has been performed. This means that centers may not legally deliver new motor vehicles to a consumer until it is fixed or use/sell replacement equipment/parts subject to a delivery stop. Note also that substantial civil penalties apply to violations of this law.

Also, you should not sell, lease or deliver any Certified Pre-Owned or used vehicles subject to a delivery stop until the repair is completed.

Sincerely yours,

Technical Service
