

S16YX

September 29, 2016

To: Affected North American Dealers

Subject: S16YX
Certification Label on Coated Fuel Tanks

Models Affected: Model Year: Certain 2017
Model: Vision and All American
School and Non-School Buses

Bulletin Duration: One (1) Year from Date of Issue

Overview:

Certain 2017 model year Blue Bird Vision and All American School Buses manufactured from February 11, 2016, through August 22, 2016, and one model year 2017 All American Non-School Bus manufactured May 23, 2016, equipped with optional Coated Fuel Tanks will require the coating to be removed from the Certification label on the bottom of the fuel tank.

Affected Units:

A separate printout will be provided listing all buses in your territory that are affected by this service bulletin. Service Bulletin S16YX will be mailed to all owners on record. Be sure to review your list and advise of any incorrect owner names and/or addresses. On the subject buses, the label on the bottom of the fuel tank may be covered by an applied coating. To correct, coating must be removed from the label.

Repair Parts:

Obtain “Bug and Tar” remover locally.

Time Allowance:

Time allowed for correction in each bus is 0.3 hours.

Completion Notification:

To request reimbursement for completed repairs, Dealers may submit claims via Blue Bird ClaimsCenter (a.k.a. iWarranty). Select ‘New Claim’ from menu, then select the ‘Campaigns’ claim-type. Upon submission and approval of the claim, the body number will be flagged ‘Completed/Claim’. For completed repairs where no reimbursement is requested, Dealers shall send the body number, repair date, odometer, and name of the repair facility to campaignparts@blue-bird.com the body number will be flagged ‘Completed/Reply’.
