

Hino Air Deflector Option Now Available on ABC/Marathon Up-Fit Advantage Body Programs

To assist dealers with ease of ordering and improve the sales process for our popular Air Deflector option, Hino Trucks is pleased to announce the release of this product as a Ship-through option on Trucks ordered through the **Up-Fit Advantage** body programs.

Key benefits to the Hino Trucks Air Deflector include:

- ✓ Improvements to fuel economy that range from 2-7% (application and duty cycle dependant).
- ✓ Improved vehicle stability due to improvements in aerodynamics
- ✓ Designed to enhance vehicle looks and can provide excellent company logo space
- ✓ Built with lightweight and durable materials (less than 50 lbs)
- ✓ 5 year limited warranty
- ✓ **NOW → Pre-Installed when ordered through the Hino Up-Fit Advantage Body Programs!**
