Title: 2017 MAZDA3 AND 2017 MAZDA6 MAINTENANCE MONITOR ENGINE OIL DATA
RESET

2017 Mazda3 and 2017 Mazda6 Maintenance Monitor Engine Oil Data Reset

Engine Oil change reset procedure has changed for the 2017 Mazda3 and 2017 Mazda6. It is important to use this new procedure at every oil change to avoid a unnecessary customer return.

NOTE:

If oil data reset is not performed, a maintenance message will be displayed in the instrument cluster after the customer leaves the dealer.
