

Supplier: METCHRO PRODUCTS INC.

Supplier Information

Metchro Products, Inc. is recognized for its expertise in the processing of sheet metal and the manufacture and handling of stainless steel products. It actually now enjoy a broad customer in the areas of transportation, food processing (HACCP), restoration as well as residential and commercial construction.

Customer Service & Technical Support

Hino Parts Support Phone: 866-372-4466
Hino Parts Support Email: helpdesk@hino.com
Hino Parts Support Fax: 662-342-3939
Metchro Products, Inc. Phone: (450) 223-1753
Metchro Products, Inc. Web: <http://metchro.com/>
Metchro Products, Inc. Fax: (450) 223-1300

Order Procedures:

All orders are to be placed through the Hino Dealer Connect System (DCS). The Metchro "All Makes Platform" will be Direct Ship only. Note: Many Metchro accessories used on Hino vehicles will continue to be stocked and distributed from the Hino Trucks PDC's.

Stock Orders

Enter orders in DCS Screen DC202 under Sales Type "S". All direct ship (DS Orders) items will be shipped from a local Supplier PDC.

Emergency Orders Emergency orders (EM) may be entered into DCS screen DC202 as a Sales Type "E" or "V". All emergency orders will be processed with a "rush" order. Freight and Handling fees will be identified on the Hino invoice.

Minimum Order Quantity

There is no minimum order requirement on emergency or stock orders.

Freight Policy:

Shipments within the Continental United States are shipped freight prepaid & added to the invoice for all orders. All orders are shipped from Metchro Products, Inc., 6755 ave Choquette unit 1, St-Hyacinthe, QC Canada J2S 8L2 unless otherwise specified in DCS (some Hino accessories may ship from the Hino PDC free freight covered by Hino). All orders will be shipped via the most efficient method.

Free Freight Policy:

All stock orders will include freight prepaid & added to the invoice regardless of order size, no minimum order quantity.

Order Fulfillment Policy:

The average order processing time is 5-10 business days from date of order placement.

Part Number Pricing:

Pricing will be available on-line in the Hino DCS system. In addition, the prices will be forwarded to your service bureaus within two weeks of each pricing update.

Format:

Standard Part numbers are directly carried over with a prefix of "MC-". Parts available through the Hino PDC do not have a prefix.

Mega Fleet:

All-Makes parts are not included in the Hino Mega Fleet pricing file but should be sold to Mega Fleet customers and filed as Miscellaneous Items in Corcentric when submitting for reimbursement.

Warranty:

Please view Supplier warranty documents as warranty varies based on item. Contact Supplier directly.

Returns:

Contact Supplier directly to obtain a Return Goods Authorization code by phone number or email address listed above. All returned items MUST have prior approval and the Return Goods Authorization (RGA) marked on the outside of the box. RGAs have an expiration date of sixty (60) days; after sixty (60) days the return will become null and void. All returns are subject to a 25% or greater restocking fee. Will not authorize any returns that are not properly packaged or in the original packaging. No credit will be issued for product that has been damaged, altered, or installed on equipment. The customer is responsible for all freight charges on the returned merchandise. Special order items or non stock items are not returnable.

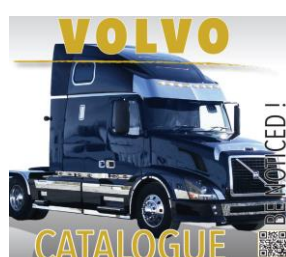

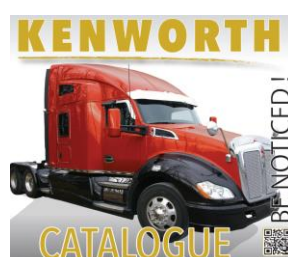

Shipping Inspection and Damaged Product:

All merchandise should be inspected upon arrival and carrier damage claims should be filed with the carrier immediately. We are not responsible for, nor are we in a position to make a claim after the freight carrier accepts the shipment from us. For excess stock returns, contact the Supplier directly.

KNOWING METCHRO'S 7000 SERIES NUMBERING SYSTEM

Each digit gives important information about the part (accessories only)

S 7 1 5 1 0 0 3

The "S" prefix means that the product is made with a highly polished stainless steel (304-X10).

The same part number without the "S" prefix will result in a product made with the standard stainless steel (430BA)

This digit represents a custom truck accessory

This digit represents the truck's make :

- | | |
|-------------------|--|
| 0 = Caterpillar | 6 = Mack |
| 1 = Peterbilt | 7 = Volvo |
| 2 = Kenworth | 8 = Sterling |
| 3 = Freightliner | 9 = Universal part that fits most makes and models |
| 4 = International | |
| 5 = Western Star | |

This digits represents the location on the truck where the part is mounted :

- | | |
|-------------------------------|------------------------------|
| 1 = Bumper accessories | 6 = Side fairing accessories |
| 2 = Hood & grill accessories | 7 = Frame accessories |
| 3 = Cab (outside) accessories | 8 = Trailer accessories |
| 4 = Cab (inside) accessories | 9 = Wheel accessories |
| 5 = Sleeper accessories | K = Multiple location kit |

Suffix represents the type of lighting that will be used on the product :

- | | | |
|--------|---|--------------------------------------|
| LED | = | LED no bezel |
| LEDB | = | LED with bezel |
| LEDCA | = | Clear lense with amber LED |
| LEDCAB | = | Clear lense with amber LED and bezel |
| LEDCR | = | Clear lense with red LED |
| LEDCRB | = | Clear lense with red LED and bezel |
| S | = | Made of stainless steel |
| G | = | Made of galvanized |
| P | = | Powder coated |
| R | = | Reflective tape |

These 3 digits identify the part itself

This digit represents how the part is sold :

- | | | |
|---|---|-----------------------|
| 1 | = | As a single unit (UN) |
| 2 | = | As a pair (PR) |
| 3 | = | As a kit (KIT) |

CATALOGUE

V.1.9 - 201408

07/2015-00

- Our accessories are made of premium quality 304 stainless steel grade with non-corrosive and non-magnetic properties.
- Our Fenders are made of 430 stainless steel grade using stamping or rolling process for the best performance in the industry.
- Our lights are guaranteed for one (1) year. See our lights & accessories catalogue for details.

Fender and mounting kit warranty

1. One (1) year warranty on parts.
2. Metchro Products Inc. will replace defective parts with new parts and will incur responsibility of shipping the replacements parts.
2.1 Cost of labour will be paid consistent to a predetermined amount for the warranted part that is set by Metchro Inc.
3. Chrome and zinc components are not under warranty due to the hard environments they are exposed to.
4. Warranty will only be granted if the fender is properly installed using the Metchro mounting kit.
5. Warranty does not cover damages due to accidents, abuses, mishandling of the parts, improper storage, improper installation or misuse.
6. Metchro Inc. is not and will not be held responsible for any damage or violations that may occur to the vehicle on which a Metchro part is installed. This includes, but is not limited to, paint damage, body damage and law infractions. It is solely the responsibility of the client to ensure that the part is conforming to the vehicles specifications and other laws to which the vehicle must abide.
7. This warranty is applicable only to the original purchaser.

Truck accessories warranty

1. Metchro products, excluding electrical components, are under warranty against defects in material or manship work for one (1) year from date of installation.
2. Warranty does not cover any labour cost or damages due to accidents, abuses, mishandling of the parts, improper storage, improper installation or misuse.
3. Parts with multiple components, only the defective component will be replaced.
4. This warranty is applicable only to the original purchaser
5. Metchro Inc. is not and will not be held responsible for any damage or violations that may occur to the vehicle on which a Metchro part is installed. This includes, but is not limited to, paint damage, body damage and law infractions. It is solely the responsibility of the client to ensure that the part is conforming to the vehicles specifications and other laws to which the vehicle must abide.

Sales policies

1. All invoices will be for a minimum of 100\$.
2. All claims for shortage must be made within 10 days of receiving the product.
3. All products are F.O.B. St-Hyacinthe, Québec.
4. Terms are net 30 days.
5. All applicable taxes and charges are in extra to price list.

Warranty

1. All returns and warranty claims must be done with the Metchro's consent and must have an authorization number.
2. Defective parts must be accompanied with a filled out claim form, the sales invoice and 4 pictures :
 - Picture of the entire truck
 - Picture to see the installation hardware
 - Picture of the problem
 - Picture proving that the rubber insulators were properly installed (Fenders only)

Return policy

1. All products returned for credit will be subject to a 15% restocking charge.
2. All products must be returned by prepaid freight.
3. All products must be returned in its original package and in a resalable condition.

SURFACE PREPARATION PROCEDURE FOR STICKING 3M ADHESIVE TAPE

IMPORTANT NOTICE : DO NOT USE BRAKE CLEANER TO CLEAN SURFACE

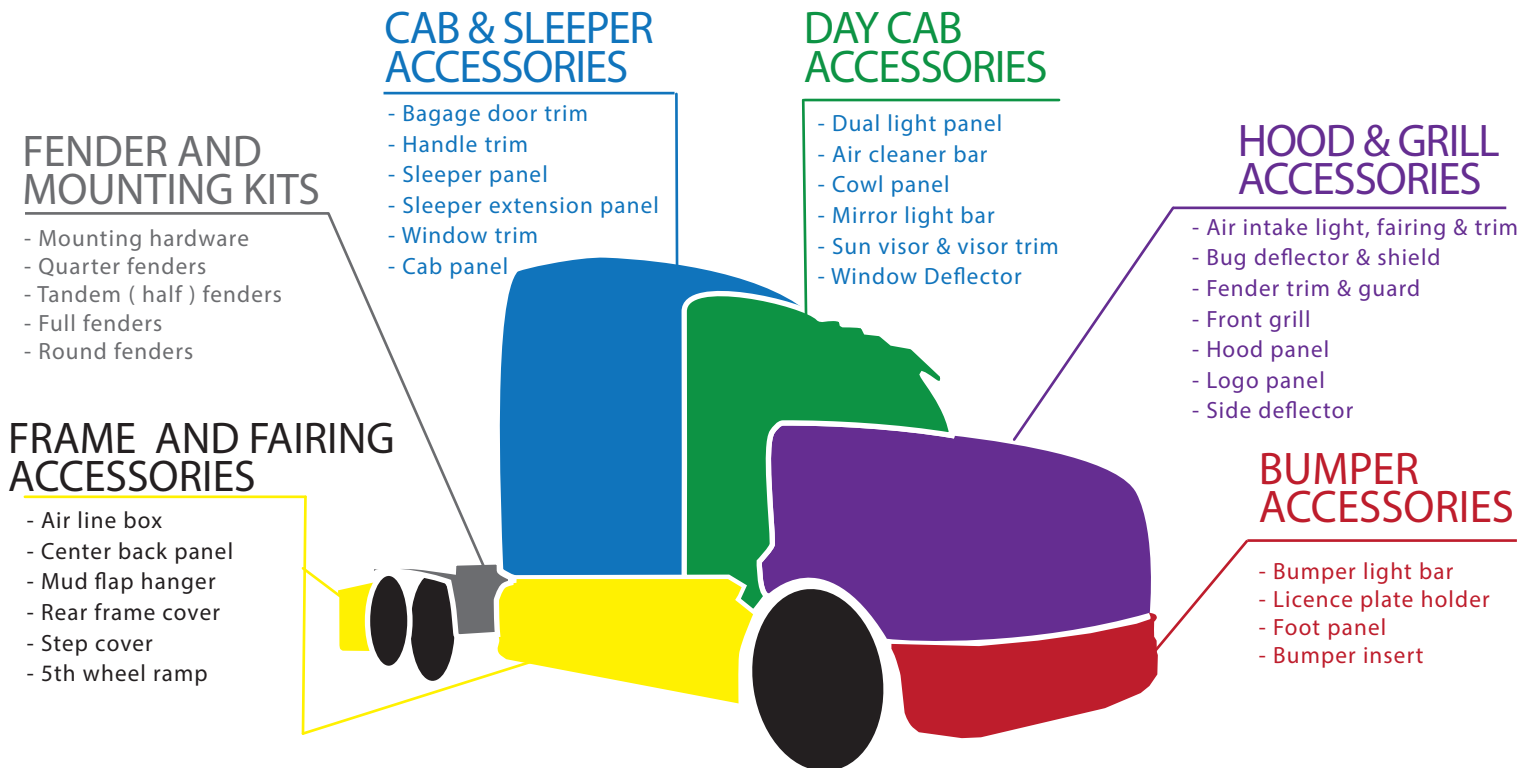

1. The truck should be in a environment having an ambient temperature of 15 to 30 degrees C.
2. Get the surface well cleaned with soapy water. Completely dry the surface.
3. Take a clean piece of cloth (no tissue papers), generously dip in isopropyl alcohol and clean the surface untill there is no dirt on the cloth. Let the surface dry out (maximum 5 minutes).
4. Stick the accessory onto the cleaned surface very carefully and press the accessory on the surface with hands. (the accessory will stick instantly).
5. Let the accessory dry for 24 hours for maximum adhesion, before putting the truck in service.

Metchro Catalogue Index

KNOWING METCHRO'S 7000 SERIES NUMBERING SYSTEM

Each digit gives important information about the part (accessories only)

The "S" prefix means that the product is made with a highly polished stainless steel (304-X10).

The same part number without the "S" prefix will result in a product made with the standard stainless steel (430BA)

S 7 1 5 1 0 0 3

Suffix represents the type of lighting that will be used on the product :

LED	=	LED no bezel
LEDB	=	LED with bezel
LEDCA	=	Clear lense with amber LED
LED CAB	=	Clear lense with amber LED and bezel
LEDCR	=	Clear lense with red LED
LED CRB	=	Clear lense with red LED and bezel
S	=	Made of stainless steel
G	=	Made of galvanized
P	=	Powder coated
R	=	Reflective tape

This digit represents a custom truck accessory

This digit represents the truck's make :

0 = Caterpillar	6 = Mack
1 = Peterbilt	7 = Volvo
2 = Kenworth	8 = Sterling
3 = Freightliner	9 = Universal part that fits most makes and models
4 = International	
5 = Western Star	

This digits represents the location on the truck where the part is mounted :

1 = Bumper accessories	6 = Side fairing accessories
2 = Hood & grill accessories	7 = Frame accessories
3 = Cab (outside) accessories	8 = Trailer accessories
4 = Cab (inside) accessories	9 = Wheel accessories
5 = Sleeper accessories	K = Multiple location kit

These 3 digits identify the part itself

This digit represents how the part is sold :

1 = As a single unit (UN)
2 = As a pair (PR)
3 = As a kit (KIT)
