Vendor Information

Established in 1982, Dinex has experienced massive growth from a small exhaust system manufacturer to the leading supplier in Europe of complete exhaust systems and emission technologies. Dinex's vision is to become the heavy duty market leader in modern emission technology worldwide. Dinex supplies complete exhaust systems – from turbo to tailpipe – for trucks, buses, vans and industrial machines.

Order Procedures:

All orders are to be placed through the Hino Dealer Connect System (DCS). For special orders or for customer support contact Vendor directly via phone number.

Stock Orders

Enter orders in DCS Screen DC202 under Sales Type "S". All direct ship items will be shipped from a local Vendor PDC.

Emergency Orders

Emergency orders may be entered into DCS screen DC202 as a Sales Type "E" or "V". All emergency orders will be processed with a "Rush" order. Freight and Handling fees will be identified on the Hino invoice.

Minimum Order Quantity

There is no minimum order requirement on emergency or stock orders, however to achieve free freight orders must meet free freight requirements below.

Freight Policy:

All orders will be shipped via the most efficient method. Parts are shipped from a Dinex warehouse in Dublin, GA.

Free Freight Policy:

Dinex DPF's minimum purchase quantity of 8 to achieve free freight, if minimum purchase amount is not met, freight will be pre-paid and added to the invoice. **Dinex Componentry** (e.g. Clamps, Pipes, Gaskets, Bellows, etc.) minimum purchase amount of \$1500 to achieve free freight, if purchase amount is not met, freight will be pre-paid and added to the invoice.

Order Fulfillment Policy:

The standard order processing time is 8-10 business days from date of order placement contingent on product availability.

Part Number Pricing:

Pricing will be available on-line in the Hino DCS system. In addition, the prices will be forwarded to your service bureaus within two weeks of each pricing update.

Format:

Standard Part numbers are directly carried over with a prefix of "DX-".

Mega Fleet:

All-Makes parts are not included in the Hino Mega Fleet pricing file but should be sold to Mega Fleet customers and filed as Miscellaneous Items in Corcentric when submitting for reimbursement.

Warranty:

18 month unlimited mileage warranty. Hino Trucks warranty department will contact DENSO directly for a RMA approval number. Warranty covers manufacturers defects only and does not cover damage (installation or progressive). Warranty claims are to be sent back through Hino Trucks corporate.

Returns:

Parts are eligible for return for up to 1 year of purchase date. Freight paid for by dealer. RMA Required. Contact vendor directly to obtain a Return Goods Authorization code by phone number or email address listed above. All returned items MUST have prior approval and the Return Goods Authorization (RMA) marked on the outside of the box. RMAs have an expiration date of sixty (60) days; after sixty (60) days the return will become null and void. All returns are subject to a 10% or greater restocking fee. Will not authorize any returns that are not properly packaged, in the original packaging, must be in saleable condition. No credit will be issued for product that has been damaged, altered, or installed on equipment. The customer is responsible for all freight charges on the returned merchandise. Special order items or non stock items are not returnable.

Shipping Inspection and Damaged Product:

All merchandise should be inspected upon arrival and carrier damage claims should be filed with the carrier immediately. We are not responsible for, nor are we in a position to make a claim after the freight carrier accepts the shipment from us. For excess stock returns, contact the Vendor directly.

dINEX distributed by

The only aftermarket emissions system manufacturer providing everything your truck may need, from turbo to tailpipe.

Dinex has a full line of EPA '04, '07 and '10 complete systems and all required components. Offering a choice of industry (OE) standard or premium replacement parts.

WHY CHOOSE DINEX?

- Dinex DPF's – the perfect replacement for OE DPF's - they require no modifications to the exhaust system or truck electronics.
- Filters are manufactured in the USA, using only OE quality materials.
- Easy installation! No adaptations required to truck exhaust system or electronics.
- In-house manufacturing and testing means total quality control.
- Complete product line manufactured.
- Not just DPFs, but everything your conversion or installation requires, from turbo to tailpipe.
- Dinex provides the fastest cleaning machines in the industry.

DINEX AFTERMARKET REPLACEMENT DPF'S

- Equivalent in Back Pressure and Particulate Reduction to the leading OEM units.
- Performs equivalent to the leading OEM emissions systems.
- Superior to all other DPF units, either OE or aftermarket, reducing emissions to virtually 100% (99.9995%).
