CVG - NATIONAL SEAT INTRODUCES ***THE CORSAIR***

**SAVE UP TO 16% BY PARTICIPATING IN THE
BOSTROM & NATIONAL COMMITMENT PROGRAM**

CORSAIR

PREMIUM FEATURES AT A NEW PRICE POINT

Commercial Vehicle Group (CVG) is pleased to announce the launch of the Corsair Seat by National Seating. The Corsair provides a competitive mix of premium features at a mid-range price point. Aligns well with the need of the fleet customers but can be configured to suit the needs of many different customers. Triple – chamber air lumbar, contoured cushion and 6-way cushion adjustment are offered as standard on all Corsair Seats. Premium features such as suspension cover, heater, the BackCycler® system or genuine leather can all be selected.

STANDARD FEATURES

- Contoured cushion and backrest for improved thigh and lateral support
- Front and rear cushion tilt with cushion extension to accommodate all drivers
- Triple-chamber lumbar adjustment to improve posture
- Model 95 air suspension with 6" vertical travel
- Chugger-Snubber Isolator
- Track with 7" fore-aft travel
- Hi-Backrest only

OPTIONAL FEATURES

- BackCycler® system to reduce fatigue
- Bellow suspension cover
- Mordura Cloth or Genuine Leather
- Dual 15" long ratcheting wide-mount Armrests

Vendor: National Seating (a CVG Brand)

Vendor Information	The National Seating line of seats is the premier seating solution for North American motor coach, school bus, and truck applications. Their products are known for their comfort, durability, safety, and style. They continue to develop innovative and user focused solutions which deliver real results and value. Their exclusive BackCycler system, model HP air suspension and 3pt passenger belts for coach seats are just a few of the customer centric and truly effective value additions we have brought to you recently. They have a commitment to listening to and understanding driver needs is a core driver in the work we do everyday. The core operations for National Seating products are in the USA, drawing on their global seating experience and operations to determine where common needs, products, and lessons can help them deliver better products. Their industry leading R&D facilities and in house testing provide the continuous technical feedback to ensure their products are built better tomorrow than they are today in terms of features, durability, and bottom line value to you. National Seating seats are proudly made in Vonore, TN USA. American Pride since 1936.
