ROUTEMASTER SCHOOL BUS SEATS

The Driver's Seat of Choice

The National aftermarket school bus seat line-up spans all major school bus models and is designed to meet all of your drivers' needs. Offering three seat designs will provide you with the product and quality you've come to expect from National Seating products.

These three models will provide all of the comfort features your drivers demand. All three models include a total of seven inches of fore/aft adjustment for improved pedal-reach over the competition's seats.

ROUTEMASTER 640

Vendor: National Seating (a CVG Brand)

Vendor Information	The National Seating line of seats is the premier seating solution for North American motor coach, school bus, and truck applications. Their products are known for their comfort, durability, safety, and style. They continue to develop innovative and user focused solutions which deliver real results and value. Their exclusive BackCycler system, model HP air suspension and 3pt passenger belts for coach seats are just a few of the customer centric and truly effective value additions we have brought to you recently. They have a commitment to listening to and understanding driver needs is a core driver in the work we do everyday. The core operations for National Seating products are in the USA, drawing on their global seating experience and operations to determine where common needs, products, and lessons can help them deliver better products. Their industry leading R&D facilities and in house testing provide the continuous technical feedback to ensure their products are built better tomorrow than they are today in terms of features, durability, and bottom line value to you. National Seating seats are proudly made in Vonore, TN USA. American Pride since 1936.

Free Freight Policy:	8 or more seats.																																																									
Order Fulfillment Policy:	Standard lead time is 7-10 business days. Critical / Truck Down orders fulfilled as quickly as possible.																																																									
Part Number Pricing:	Pricing will be available on-line in the Hino DCS system. In addition, the prices will be forwarded to your service bureaus within two weeks of each pricing update.																																																									
Format:	Standard Part numbers are prefixed with "NS-" and the "." in the suppliers part numbers are removed.																																																									
Mega Fleet:	All-Makes parts are not included in the Hino Mega Fleet pricing file but should be sold to Mega Fleet customers and filed as Miscellaneous Items in Corcentric when submitting for reimbursement.																																																									
Warranty:	Please view Vendor warranty documents as warranty varies based on item. Contact vendor directly.																																																									
Returns:	Call supplier to view their Return Policy document: CV.8008.080613																																																									
Shipping Inspection and Vendor Cross Reference Web Site:	All merchandise should be inspected upon arrival and carrier damage claims should be filed with the carrier immediately. We are not responsible for, nor are we in a position to make a claim after the freight carrier accepts the shipment from us. Also see returns section for any returns that need to be made due to damage or error in www.nationalseating.com																																																									
Conclusion:	Under every National seat is 75 years of experience and quality design. They strive to use the best materials and state-of-the-art technology to create seats that meet the demands of today's commercial vehicle operator.
