

PARTS ALERT

MERITOR WABCO PROGRAMMABLE ABS ECU REPLACEMENT HINO TRUCKS

Please be aware of the below order procedure for Meritor WABCO's programmable ABS ECU's.

Certain Meritor WABCO ABS ECU's must be programmed by Meritor & shipped as individual units. Because there is no J1939 connection, these ECU's are not able to be programmed on the vehicle at the dealership. These specific ECU's must be ordered by calling the Hino Trucks PDC at (866) 372-4466 with the full VIN number & a dealer PO number. The VIN is required for future reference purposes.

The Hino PDC will order the correct part number & will contact Meritor Florence with the trucks VIN number so the ECU can be programmed & shipped to the Hino dealership. Meritor is covering the freight to the dealer on these particular emergency orders (the Hino PDC is not able to retain the necessary stock on these ECU's as they are not able to program them).

Applicable Part Numbers:

Superseded Number (NLA Part Number)	Active Part Numbers Involved
S4008644010	PRG4008644010
S4008643610	PRG4008643610
