Order Procedures: All orders are to be placed through the Hino Dealer Connect System (DCS). For special orders or for customer support contact Supplier directly via phone number

Stock Orders Enter orders in DCS Screen DC202 under Sales Type "S". All direct ship (DS Orders) items will be shipped from a local Supplier PDC.

Emergency Orders Emergency orders (EM) may be entered into DCS screen DC202 as a Sales Type "E" or "V". All emergency orders will be processed with a "rush" order. Freight and Handling fees will be identified on the Hino invoice.

VOR Orders These begin with "VR" also followed by 6 digits. These are our highest priority orders, placed only when a truck is in the shop and cannot be driven without repairs. Orders should be shipped overnight to our facility or directly to our dealer depending on the "ship to" address indicated on our purchase order. Dealer is willing to incur additional freight charges which should be detailed on the invoice to Hino as a separate line item. Still shipped pre-paid & added to the invoice.

Minimum Order Quantity There is no minimum order requirement on emergency or stock orders.

Freight Policy: Shipments within the Continental United States are Free Freight for orders of 8 pieces or more. All orders are shipped from Northville, MI or Huntington Beach, CA, otherwise specified. All orders will be shipped via the most efficient method.

Free Freight Policy: All stock orders will include prepaid freight for 8 pieces or more.

Multiple Drop Policy NA

Trailer Load or Bulk Discount Details NA

Order Fulfillment Policy: The standard order processing time is 5 business days from date of order placement.

Part Number Pricing: Pricing will be available on-line in the Hino DCS system. In addition, the prices will be forwarded to your service bureaus within two weeks of each pricing update.

Format: Standard Part numbers are directly carried over with "ME-" prefix.

Mega Fleet: All-Makes parts are not included in the Hino Mega Fleet pricing file but should be sold to Mega Fleet customers and filed as Miscellaneous Items in Corcentric when submitting for reimbursement.

Warranty: <https://www.diamond-gard.com/warranty-policy>

Returns: Contact Supplier directly to obtain a Return Goods Authorization code by phone number or email address listed above. All returned items MUST have prior approval. The Return Goods Authorization (RGA) marked on the outside of the box. RGAs have an expiration date of sixty (60) days; after sixty (60) days the return will be denied and void. Will not authorize any returns that are not properly packaged or in the original packaging. No credit will be issued for product that has been damaged, or installed on equipment. The customer is responsible for all freight charges on the returned merchandise. Special order items or non stock items are not returnable.

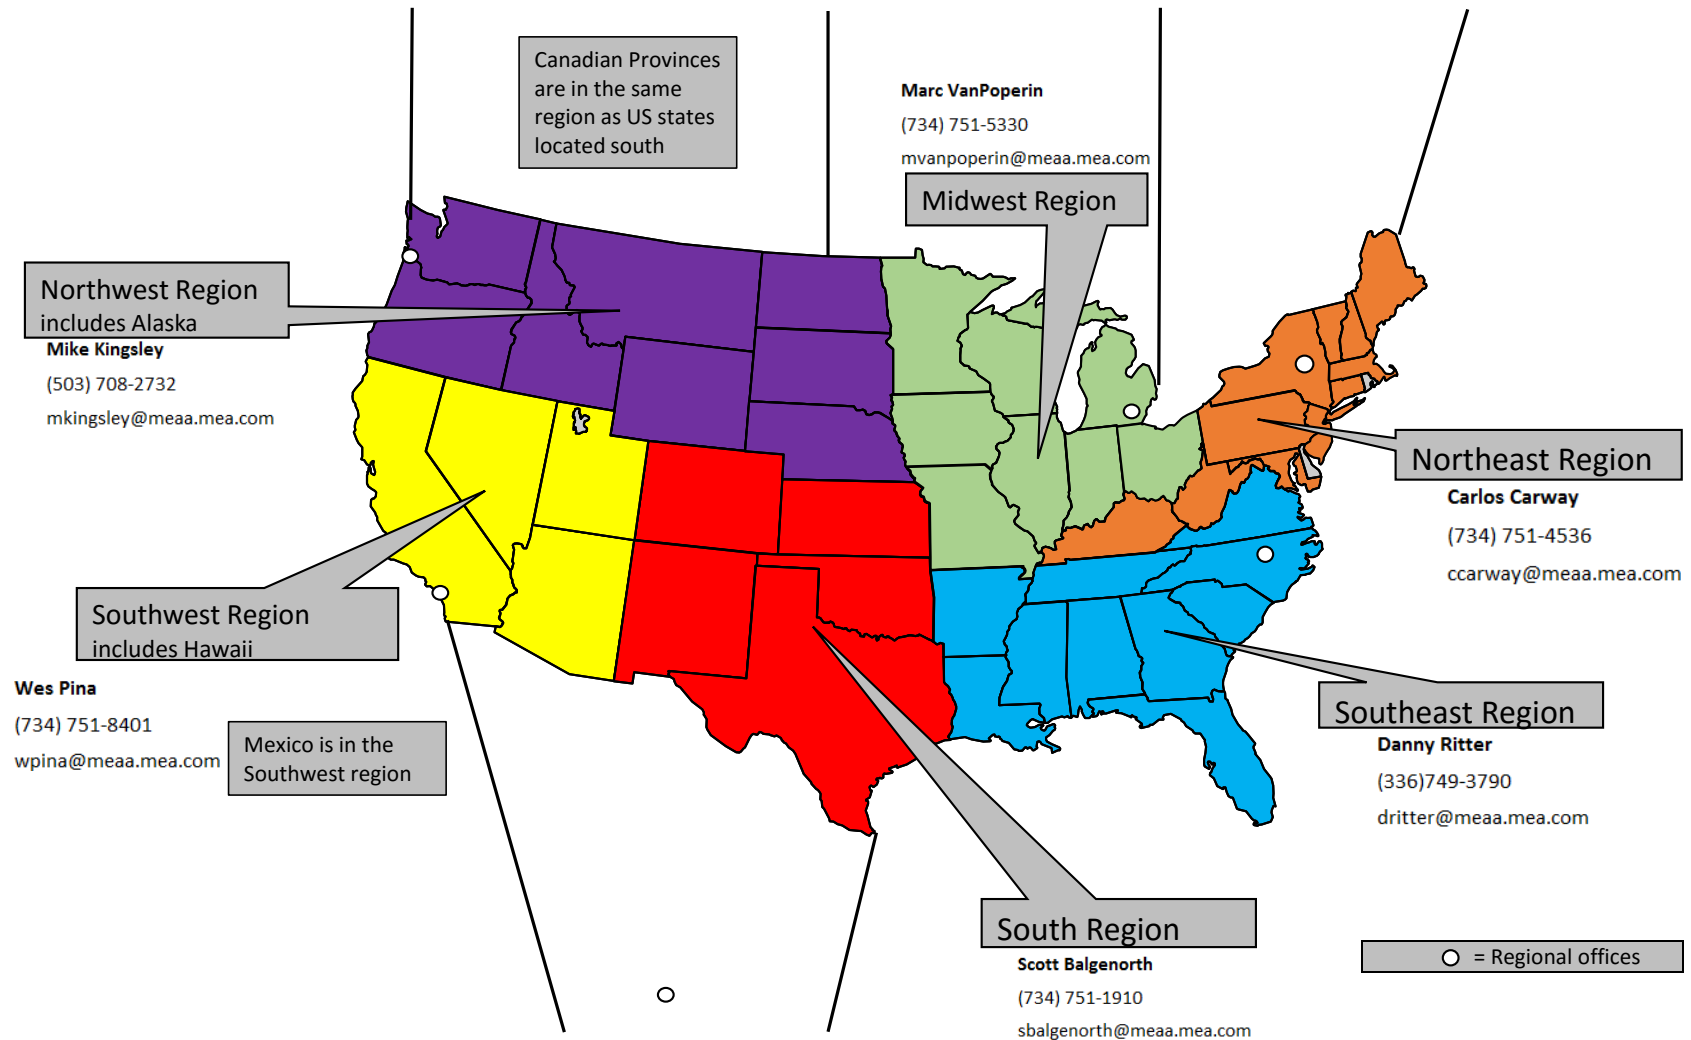

Shipping Inspection and Damaged Product: All merchandise should be inspected upon arrival and carrier damage claims should be filed with the carrier immediately. We are not responsible for, nor are we in a position to make a claim after the freight carrier accepts the shipment from us. For excess stock returns, contact the Supplier directly.

Supplier Cross Reference Web Site: www.diamond-gard.com

Conclusion: Mitsubishi Electric DIAMOND GARD Offers: Best warranty in the business. If it fails, we'll replace it. Guaranteed; Designed, engineered and manufactured to exceed truck manufacturers expectations; Weighing only 29 pounds, our starters have an industry-leading power-to-weight ratio for faster starts and reduced vehicle weight efficiency design to withstand the extreme start-stop requirements resulting from anti-idling laws; Lower current draw than competition which results in less battery discharge every time you start your truck; All North American applications covered by just a few part numbers
