

Bendix Air Disc Brakes

Saf-T-Liner EFX

This bulletin is releasing sales codes **C2063-00-000 Air Disc Brakes, Front – EFX**, and **C2063-01-000 Air Disc Brakes – Rear**, available for ordering on the Saf-T-Liner EFX.

Advantages of air disc brakes:

- Improved service life
- Improved stopping performance
- Less brake fade
- Easier maintenance

Air disc brakes are only available with spring front suspension, and one of the Freightliner Air-Liner Rear Suspensions. Air disc brakes will not be available on the 136” wheelbase.

Air disc air brakes can be ordered effective 1/31/16 for **new orders only**. Change orders on existing orders will not be allowed.

Below is a summary of changes that will take effect in ASIST.

Feature	Description	Action
C2063-00-000	Air Disc Brakes, Front - EFX	Released
