are recommended trim patterns.

Camira Defender:

New GO-ES SplitFiip!

Freedman SplitFiips provide optional

- Repels liquid spills and prevents staining
- Stops dirt and moisture from destroying upholstery foam
- Stops premature wear by agitation of dried on stains
- Reduces odors associated with spills, stains, accidents and sickness
- Helps stop the spread of infection
- Keeps interior fabrics looking fresh and new for longer

versatility for bus seating configurations. The space saving flip-up feature can accommodate varying combinations for added aisle space, strollers, shopping carts and much more. Single flip-down motion returns seat to standard passenger seating position. [More...](#)

Eleganza 3PT

FMS Seating re-introduces the Bellagio and Trieste executive seats with 3 point shoulder belts.

First in its class, the Trieste 3PT features adjustable shoulder belts. This allows passengers to adjust their belt to meet height and body type, providing a comfortable and safe ride in your vehicle.

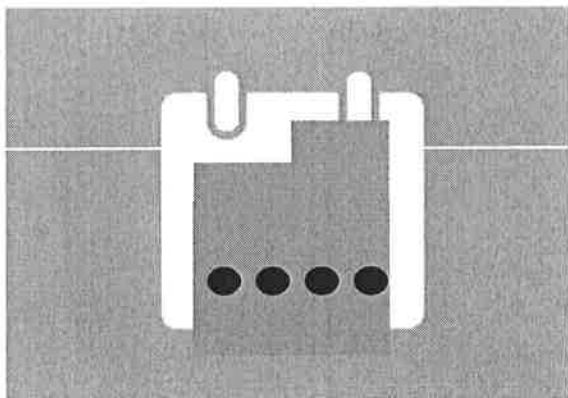

See more from the Eleganza Collection by Freedom.

Power Up!

Your vehicle becomes a mobile charging station for phones, tablets and laptops with USB, 12V and 110V outlets. Available as an add-on option for most Freedom passenger seats.
