November 2016

**Technical Service Bulletin Notification TSB #16-028**

**Unit Serial Number:**

Dear Valued Jayco Customer :

Jayco has determined that certain Model Year 2017 Precepts require inspection of the sway bar for proper orientation and replacement of the sway bar mounting brackets. The locknuts allow the brackets to be slightly loose, creating noise during certain driving conditions.

Our records indicate that your Precept is affected by this service bulletin. Please contact your nearest Jayco dealer to schedule an appointment and present this letter as authorization to have the procedure completed at **no cost** to you.

If you have sold or traded your vehicle, or for any reason cannot have this service performed, please contact the Jayco Customer Service Department at 800-283-8267.

We apologize for any inconvenience this may cause. However, we are confident that this improvement will offer continued satisfaction with your Jayco Precept.

Sincerely,  
Jayco Motorized Division
