## **Technical Service Bulletin Notification TSB #16-030**

Dear Valued Entegra Dealer:

Entegra Coach has determined that certain Model Year 2017 Aspire 44B, Aspire 44U, Anthem 44B, Cornerstone 45B, and Insignia 44B Class A Motorhomes require installation of a cover for each vanity slide out motor to prevent water penetration. Water penetration can cause motor failure preventing movement of the room.

Our records indicate the following motorhome is currently in your inventory and requires the bulletin repair completed prior to being retail sold.

### **Serial number**

**The coverage period for this Technical Service Bulletin is for one (1) year from the release of this notification. (September 2016-September 2017)**

If you have sold the unit listed, please contact the current owner regarding this Service Bulletin and process the Warranty Registration of your customer. All information concerning this TSB is available to you on Entegra's Dealer website under the Service and Parts Tab. If you have questions, please contact Entegra Customer Service at 800-517-9137.

We certainly regret this inconvenience; however the satisfaction of our Customers is important to us.

Sincerely,

Entegra Coach
