Vehicle Analysis Log Types

Binder – 0 – General

Vehicle Type: **All**

Model Year: **1997 to Present**

Information: In an effort to provide accurate information regarding the state of the vehicle at the time of VAL creation, a “log type” drop down menu was added at the end of the VAL creation menu.

Please be mindful of selecting the appropriate log type using the following criteria:

Before repair: Selected prior to clearing any faults, or starting diagnosis, when diagnostic communication is first established. Showing the state of the vehicle as it arrived to the workshop.

During repair: Selected at any time during the course of repairs.

After repair: Selected only after all repairs have been completed.
